

GET RID OF HOUSEHOLD HAZARDOUS WASTE SAFELY AND EASILY.

With seven drop-off events this year at locations all over the city, disposing of household hazardous waste materials has never been easier.

Simply check your product labels for the key words below and bring them to any of the following 2019 drop-off events:

TOXIC - pesticides, antifreeze

CORROSIVE - strong acids, drain cleaners

FLAMMABLE - gasoline, paint thinner

REACTIVE - chlorine bleach, pool cleaner
