CARLTON WILLIAMS
Streets Commissioner

FOR IMMEDIATE RELEASE:

October 9, 2020

STREETS DEPARTMENT ANNOUNCES STREET IMPROVEMENTS BEGINNING THE WEEK OF OCTOBER 12

Temporary, Full Street Closures and Parking Restrictions Expected

PHILADELPHIA – Several streets in Philadelphia are scheduled for street improvements with street closures and parking restrictions beginning the week of October 12, announced Streets Commissioner Carlton Williams. The work schedule includes temporary, full street closures and parking restrictions. Weather may alter the work schedule. Residents can stay updated on the progress of their street using the PavePHL tool, the City’s web map paving tracker which allows residents to view online the progress of a street scheduled for paving. It is one of the several components housed on the StreetSmartPHL.phila.gov platform, allowing the Streets Department to communicate to the public about some of its most prominent and visible core services – including paving and permitting. Future functions of the site will include trackers for snow plowing and trash and recycling collections.

Streets listed below are scheduled for paving, a final phase in the resurfacing process. Operations for paving are performed during daytime hours, between 7 a.m. and 4 p.m. The anticipated time to complete the paving of each street segment varies and is dependent on the length and width of the street. Work is being performed by City crews.

To complete the work, residents should expect parking restrictions. Temporary ‘No Parking’ signs will be posted in advance of each scheduled activity. Residents are urged to move their cars from the work sites when temporary ‘No Parking’ signs are posted, so that vehicles are not towed. In the event a car is towed, please contact your local Police District to determine its location. Motorists are advised to allow extra time when traveling around the work areas.

While the Streets Department will make every effort to minimize disruption to traffic, citizens are urged to plan ahead and use alternative routes when traveling in these areas. The Streets Department thanks citizens in advance for their patience and cooperation as we work to improve city streets.

For more information on the City’s Paving Program, please click [here](#). Citizens may also contact the Streets Department’s Customer Affairs Unit at 215-686-5560. For information on all City services, please call 3-1-1.
