2015 Philly Leaf and Recycling Program

Monday, November 9 through Saturday, December 19

Mechanical leaf collection will be offered in areas with a heavy concentration of leaves.

Remember these guidelines for mechanical leaf collection:

- All leaves should be raked and ready for collection by the curb's edge by 7AM the day of collection.
- Residents should move their vehicles to an off-street parking location on scheduled collection day
- Due to the number of pieces of equipment used, the large cleaning boundaries to cover and a challenging timeline, we are unable to make return visits to individual streets in all areas once we move to the next boundary
- To find out if mechanical leaf collection will be in your area, check your neighborhood newspaper, watch the Philadelphia Government Access Cable Channel 64, call the Streets Department's Customer Affairs Unit at **215-686-5560** or visit **www.philadelphiastreet.com**. For all City services, call **3-1-1**.
- Except in case of extreme weather conditions, bagged and mechanical collection will occur rain or shine.
- Residents in mechanical areas can also drop-off bagged leaves at 23 drop off locations (see reverse side). Bags are accepted at Sanitation Convenience Centers also, open Monday-Saturday, 8AM-6PM.
- No collection will occur on City-observed holidays, Veterans Day & Thanksgiving.
