# Tire Round-up Program

## Why should your community group participate?

- By participating, your group is helping to promote civic pride through clean-up and beautification projects in your neighborhood
- Your group can make a difference by removing illegally discarded tires from the streets, sidewalks, parks, alleys, and riverbanks
- Registered groups will be reimbursed 50¢ for each illegally discarded tire brought to approved drop-off sites.
- Proceeds earned from the Tire Round-Up Program support worthwhile projects back in your community!
