STREETS DEPARTMENT SCHEDULES REPAIRS TO STENTON AVENUE AFTER WATER MAIN BREAK

Temporary, full closure until Friday, May 12

PHILADELPHIA – Streets Department crews will begin roadway repairs today along Stenton Avenue from Phil Ellena Street to Upsal Street, Streets Commissioner Carlton Williams announced. The street has been closed to traffic since Monday, May 8 due to a water main break. Repairs are expected to be completed and roadway open by Friday, May 12 at 4:00 PM. If the work being done is completed sooner than expected, the roadway may open earlier.

This temporary, full closure will allow Streets Department crews to make necessary roadway repairs safely and expeditiously as possible. Vehicles are urged to use Mansfield St. for traveling during the closure.

The Streets Department thanks citizens in advance for their patience and cooperation during this project.
